## HOW TO VOTE

### Vote at advance voting

*April 22 to April 27, 2022  
8 a.m. to 8 p.m.*

You don't need a special reason to vote at advance voting - it's an option for all voters. Note that some advance voting places may not be open on every advance voting day. Find advance voting places and the dates they are open at [wheretovote.elections.bc.ca](https://wheretovote.elections.bc.ca) or on your Where to Vote card (look for it in the mail before advance voting starts).

### Vote on Election Day

*Saturday, April 30, 2022 | 8 a.m. to 8 p.m.*

Voters have an assigned voting place on Election Day. Normally it is faster to vote at your assigned voting place, but you can vote at another voting place if it is more convenient for you. Find your assigned final voting place at [wheretovote.elections.bc.ca](https://wheretovote.elections.bc.ca) or on your Where to Vote card (look for it in the mail before advance voting starts).

### Vote at the Vancouver-Quilchena district electoral office

*From now until 4 p.m. on Saturday, April 30  
200-1985 Broadway W, Vancouver, B.C.*

### Vote by mail

To request a vote-by-mail package, visit [elections.bc.ca/votbymail](https://elections.bc.ca/votbymail), or call 1-800-661-8683. Completed vote-by-mail packages must be received by Elections BC before 8 p.m. (Pacific time) on April 30, 2022. ## SERVICES FOR AT-RISK VOTERS AND VOTERS WITH DISABILITIES

Elections BC is committed to a safe and accessible voting process for all voters, and we have services available to help. Election officials are trained on how to help voters access voting opportunities, and services are available to help voters with disabilities or underlying health conditions to vote.

### Immunocompromised voters

If you are concerned about voting in-person because of an underlying health condition, remote voting opportunities are available. Contact Elections BC to discuss your voting options.

### Getting help marking your ballot

Voters can get help marking their ballot if they have a disability or difficulty reading or writing. Tell the election official at the voting place if you need help marking your ballot.

### Resources for blind or sight-impaired voters

Braille candidate lists, large print ballot posters and ballot templates are available at all voting places to help blind or sight-impaired voters mark their ballot. Assisted telephone voting is also available for voters with vision loss, or a disability or underlying health condition that prevents them from voting independently. Contact Elections BC to discuss your voting options.

### Voting place accessibility

All advance voting places and most Election Day voting places are wheelchair accessible. Voters who can't enter a voting place can vote outside the building (at the curb or in the parking lot).

### Translators

Voters can bring a translator to help them at the voting place. The translator must make a declaration that they are able to act as a translator and will do so to the best of their abilities.
